### Presentation

Paul Costa, CB11 Manhattan Borough president fellow - Paul gave a power point presentation on East Harlems Retail trend. A hard copy of the presentation is available at our board office. It will be available online within the next few days.

Tom Lunke, Harlem CDC - Mr. Lunke made a presentation on Harlem CDC's vision for the Market Mile. The plan covers Park Avenue between 111<sup>th</sup> to 132rd. They would like to include a variety of vendors in the food, restaurant, and floral industry. We also discussed the possibility of adding a culinary school component. While we found the presentation to be good in concept, we still need additional time and community input.
