RE: Support for the "Along the Watchtower" Art Project in Marcus Garvey Park

Dear Commissioner Silver,

Community Board 11 (CB11) is pleased to support the installation of the "Along the Watchtower" temporary art project in Marcus Garvey Park as presented to our Economic Development, Culture and Tourism Committee on November 10, 2015.

CB11 believes the project will be a wonderful display for residents and will attract more visitors to our East Harlem community. We applaud the hard work of the West Harlem Art Fund to bring creative art works of all types to New York City, and especially to Marcus Garvey Park. We look forward to viewing the reflective work when it is on display starting in August, 2016.

If your team has any further questions, please feel free to contact Mia Brezin, our Assistant District Manager, at 212-831-8929.

Sincerely,

Diane Collier
