Construction Laborers Needed

Monadnock Construction is a Brooklyn based General Contractor and Construction Management firm founded in 1975. Our projects include new and rehab multifamily residential, commercial, and institutional projects throughout NYC with a strong focus on affordable housing work. Throughout the last 44 years, Monadnock has grown to a staff of about 200 people with about 15 active projects going on at any given time.

Monadnock Construction is currently seeking general laborers for jobs located throughout New York City.
Responsibilities include performing a variety of construction-related activities during all phases of construction including the cleaning and preparation of construction sites. Laborers work closely with the project teams to maintain the highest levels of quality and uphold all OSHA and Monadnock safety policies.
