1. Welcome and Introductions

2. Discussions

a. Know Your Rights Prep meeting

The committee reviewed the logistics of the event scheduled for 1/19/17 at the Johnson House Center and a task grid was distributed and members signed up. It seems that new partners are coming aboard and folks are getting excited. Outreach and flyer distribution will continue and the set up will be a table with chairs classroom style by the stage and agency resource tables around the room. If successful the committee would like to expand the event and partner with other Community Boards. The chair thank the committee liaison Darlene Jackson for her efforts working on the event.

b. Scoping Comments

The committee comments have been submitted and there was a brief discussion about pending development of a task force. The hope is to work to improve the Boards response to upcoming projects.

c. Spirit of Service

Jeanne provided an update and 18 organizations have sign on to participate for the 4/29/17 event. She has reached out to Kelos office to provide updates. More work on this after the KYR forum.

d. Policy

The Policy Action Agenda will include the promotion action on a monthly basis with specific messaging that will align with the Public Health observances. The PAA (Policy Action Agenda) will be linked to the KYR participants and collaborations developed.
