VOTING IN NYC FOR THE FORMERLY INCARCERATED A GUIDE

ALL OF OUR CIVIL LIBERTIES AND RIGHTS DEPEND ON OUR ABILITY TO VOTE! DO YOU KNOW YOUR VOTING RIGHTS?
Did You Know?

On April 18, 2018, Governor Andrew M. Cuomo issued Executive Order 181. Under the order, the New York State Department of Corrections must submit a list of parolees to the Governor’s Office for review. Each individual will be considered for a pardon, which will then restore their voting rights.

What is a Misdemeanor?
A misdemeanor is a criminal offense that is considered less serious than a felony. Misdemeanors are punishable by 15 days to 1 year in jail and/or up to $1,000 in fines, while felony convictions can result in lengthy prison sentences. If you have been convicted of a misdemeanor, you can still vote or register to vote.

What is a Felony?
A felony is a more serious criminal offense and is punishable by prison sentences over 1 year. Being convicted of a felony could result in the loss of your voting rights.

**Are You Currently on Parole?**

If you are currently on parole, but you have been pardoned, you have the right to vote. Check on the status of your pardon from the governor at [www.doccs.ny.gov/ParoleeLookup/Lookup.aspx](http://www.doccs.ny.gov/ParoleeLookup/Lookup.aspx) (look for the Voting Restoration Pardon indicator).

If you have NOT been pardoned, you will not have the right to vote until you have completed your parole. But, you can have your voting rights restored if you apply for a **Certificate of Relief from Disabilities** or a **Certificate of Good Conduct**. To learn more, ask your parole officer.
