Re: Docket number is LPC-21-09366 - St. Cecilia's Church Accessibility Project

Dear Chair Carroll:

Community Board 11 supports the application submitted by Mitchell Kurtz Architect PC on behalf St. Cecilia's Church, a designated individual landmark, located at 120 East 106th Street, to provide an accessible entrance from the street to be provided by altering existing iron fencing and installing barrier-free access via an inclined wheelchair lift. Additionally, the concrete sidewalk will be replaced over the existing vault in order to add waterproofing to correct existing water infiltration problems.

The board supports the proposed work as presented to our Land Use, Landmarks & Planning Committee on June 9, 2021.

If your staff has any further questions, please contact our District Manager, Angel Mescain, at 212-831-8929.

Sincerely,

Nilsa Orama
